

I support media diversity

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules. I believe you are about to compound the already disgraceful use you are presently permitting of the public airwaves. The ownership rules should stay as they are: they are already bad enough. Your similar re-regulation of radio has been a disaster: this is an even bigger disaster waiting to happen.

In addition, it is disgraceful that Chairman Powell has stonewalled all requests to initiate a truly public review of this horrible proposals.

It is high time for Chairman Powell to resign and for democracy and democratic ideals to be restored to the FCC.

Sincerley,
